

### North Coast CERT 2018 Training Schedule \*

The following are the dates, times, and locations established for CERT training sessions for this year. Please print and save, but monthly emails will confirm times, locations, and speakers. We request that you let me know a couple days ahead that you plan to attend just so we make adequate copies of information for you. Responses can be sent to Sandy Hovest at [sandy@consultrsa.com](mailto:sandy@consultrsa.com) . All sessions are open to the public; feel free to bring guests and new recruits with you!
